# DEXTER CATTLE SOCIETY NEW ZEALAND INCORPORATED

## Notes to the Performance Report for the year ended 31st March 2017

### 1 Statement of Accounting Policies

#### Reporting Entity

The Dexter Cattle Society New Zealand Incorporated is a Society formed and domiciled in New Zealand established under the Incorporated Societies Act 1908. The Financial Statements of Dexter Cattle Society New Zealand Incorporated are general purpose financial statements which have been prepared according to generally accepted accounting practice.

#### Basis of Preparation

The Dexter Cattle Society has elected to apply "PBE SFR-A (NFP)" Public Benefit Entity Simple Format Reporting - Accrual (Not-For-Profit) on the basis that it does not have public accountability and has total annual expenses of equal to or less than \$2,000,000. All transactions in the Performance Report are reported using the accrual basis of accounting. The Performance Report is prepared under the assumption that the entity will continue to operate in the foreseeable future.

#### Specific Accounting Policies

The following specific accounting policies which materially affect the measurement of financial performance and financial position have been applied:

- a *Measurement Basis*  
The measurement and reporting of earnings and financial position on a historical cost basis is recognised as appropriate for and is followed by the entity unless stated otherwise in the specific accounting policies below.
- b *Revenue*  
Interest is accounted for using the effective interest method, i.e. as it is earned.
- c *GST*  
The financial statements are GST inclusive. Dexter Cattle Society New Zealand Incorporated is not registered for GST.
- d *Income Tax*  
No provision for Income Tax has been made as there is no current or deferred tax payable.
- e *Inventories*  
Inventories are recorded at cost.
- f *Investments*  
Investments are carried at the lower of cost and net realisable value.
- g *Differential Reporting*  
Dexter Cattle Society New Zealand Incorporated qualifies for differential reporting as it is not publicly accountable and it is small. Dexter Cattle Society New Zealand Incorporated has taken advantage of all available differential reporting exemptions.

#### Changes in Accounting Policies

There have been no changes in accounting policies from the previous financial year except the recognition of the PBE standards which have not had any material impact on the previous policies.

# **AUDIT REPORT**

## **To the Members of the Dexter Cattle Society New Zealand Incorporated**

I have audited the performance report of The Dexter Cattle Society New Zealand Incorporated on pages 1 to 9, which comprises the entity information, the statement of service performance, the statement of financial performance and statement of cashflows for the year ended 31 March 2017, the statement of financial position as at 31 March 2017, and the accompanying notes to the performance report.

### **Committee's Responsibilities:**

The Committee members are responsible on behalf of the society for:

- a) Identifying outcomes and outputs, and quantifying the outputs to the extent practicable, that are relevant, reliable, comparable and understandable, to report in the statement of service performance;
- b) the preparation and fair presentation of the performance report which comprises,
  - the entity information;
  - the statement of service performance; and the statement of financial performance, statement of financial position, statement of cash flows, statement of accounting policies and notes to the performance report.
  - in accordance with Public Benefit Entity Simple Format Reporting - Accrual (Not-For-Profit) issued in New Zealand by the New Zealand Accounting Standards Board, and

for such internal control as the Committee determine is necessary to enable the preparation of the performance report that is free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

My responsibility is to express an opinion on the performance report based on my audit. I conducted my audit of the statement of financial performance, statement of financial position, statement of cash flows, statement of accounting policies and notes to the performance report in accordance with International Standards on Auditing (New Zealand) (ISAs (NZ)), and the audit of the entity information and statement of service performance in accordance with the International Standard on Assurance Engagements (New Zealand) ISAE (NZ) 3000 (Revised). Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the performance report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the performance report, including performing procedures to obtain evidence about and evaluating whether the reported outcomes and outputs and quantification of the outputs to the extent practicable, are relevant, reliable, comparable and understandable. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the performance report, whether due to fraud or error.

In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the performance report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes, evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the performance report. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified audit opinion.

#### **Existence of any other Relationship of the Auditor with the Entity**

Other than in my capacity as auditor I have no relationship with, or interests in the Society.

#### **Basis for Qualified Opinion**

The financial statements include income from subscriptions and registration fees over which limited controls exist prior to the cash received being recorded in the Society's accounting records. There are no practical procedures available to confirm the completeness of this revenue, and accordingly, I was unable to obtain sufficient appropriate audit evidence in this regard. Consequently, I am unable to determine whether any adjustments to the revenue recorded were necessary.

#### **Qualified Opinion**

In my opinion except for the possible effects of the matter described in the Basis for Qualified Opinion:

- a) the reported outcomes and outputs, and quantification of the outputs to the extent practicable, in the statement of service performance are suitable;
- b) the performance report on pages 1 to 9 presents fairly in all material respects:
  - the entity information for the year then ended;
  - the service performance for the year then ended; and
  - the financial position of The Dexter Cattle Society New Zealand Incorporated as at 31 March 2017, and its financial performance, and cash flows for the year then ended.

My audit report was completed on 6 June 2017 and my qualified opinion is expressed as at that date.
